To Whom It May Concern,

It is my pleasure to write this letter of recommendation for Halima Cassells, Authentic Learning. I am the Program Coordinator for Hamtramck Public Schools, H.O.P.E. Community Learning Center After School Program. Ms. Cassells has worked with our program this school year and has made a wonderful impact with our students both artistically and in her ability to reach and relate to our students (especially at the middle school level which can be a difficult group to work with). Ms. Cassells' talent goes without saying but what is impressive and stands out is her ability to extend her talent to others giving them the opportunity to see the artistic abilities and creativity within themselves. So, it is with great confidence that I write this letter of reference for Ms. Cassells and wish her the best of luck in all her future endeavors.

Respectfully,

A handwritten signature in blue ink that reads "Enid M. Ali". The signature is fluid and cursive.
